Having recovered a number of valuable saddle horses stolen from him a year ago and driven to Sonora, Oscar Ashburn returned home from the southern country the forepart of the week a little weary but happy. He says the state authorities gave him valuable assistance in locating his stolen property.

Hon. George W. Atkinson, of Calabasas, when not making his home in Tucson with Mrs. Atkinson and the children, was a business visitor at the county seat the forepart of the week. Mr. Atkinson is the lucky owner of a bunch of fine white-faced cattle. He is one of the pioneer stockraisers of this section, and is on Easy Street.

Friends of Mrs. Shugart will be sorry to learn that she is ill at the Sisters' Hospital in this city. The forepart of the week Mr. Shugart, who formerly resided in Nogales, now successfully engaged in business at Huachuca, came to the city to be with his wife. Dr. Purdy the attending physician, reports his patient doing well.

It is understood that Mr. Hudgin will upon his arrival here, again take charge of the big Jersey herd of thoroughbreds. The gentleman's many Nogales friends will be glad to see him.

Judge M. Marsteller, of this city, who has valuable mining interests in the Patagonia mountains, the forepart of the week took a long hike over Mowry way. The judge reports unusual mining activity in that section and says the future looks very bright for those who own property in that part of Santa Cruz county. A very important strike of high-grade ore like the 3R bonanza copper ore, has recently been made on one of the properties near the World's Fair and the Three R mines. The property was bonded to the Bisbee people by the Sheehy boys, and has the ear-marks of becoming something big.

The lecture of U. S. Highway Engineer, M. O. Eldridge, last Wednesday evening at the Santa Cruz Club, was attended by a fairly good crowd of Santa Cruz county citizens who are interested in good roads. Hon. A. S. Henderson, chairman of the board of supervisors, introduced the distinguished speaker, who with the aid of stereopticon views, entertained his hearers in a most interesting instructive manner. The speaker said there was every reason why the state of Arizona should have the best highways in America. The lectures are free, and it is to be hoped that wherever Mr. Eldridge speaks in the state, he will be heard by large crowds, for nothing but good can result from his tour of Arizona, in the interest of better roads.
